

## **SNOWMOBILING INSTRUCTIONS:**

### **BEFORE DRIVING:**

Get to know your snowmobile and your equipment and pay attention to the weather conditions. Also check your own driving condition!

### **PREPARE AND BE READY TO HELP, CALL 112 IN AN EMERGENCY**

- Tell your location what happened and listen to the instructions.
- Download 112 Suomi - mobile application - getting help is faster!
- [112-suomi-application](#)

### **DRIVE ON THE RIGHT EDGE**

- Pay attention to safety when encountering!
- Tracks stay in better shape.
- Stay on the route!

### **FOLLOW SPEED LIMITS**

- On routes = 60 km / h.
- in ice-covered waters = 80 km / h.
- NOTE! If the snowmobile has a sledge = 40 km / h.

### **SNOWMOBILING IN KUUSAMO IS FREE OF CHARGE**

- When driving on the side of neighboring municipalities, there must be Metsähallitus' track license.
